

SENDINGSKOOL EN CERES PRIMER

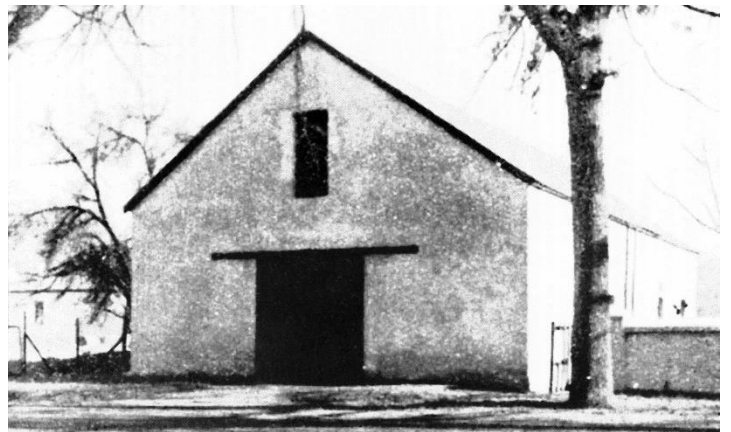

Die ontstaan van Ceres Primêr is onomwonde deel van die Sendinggemeente, omdat die skool oorspronklik ontstaan het as 'n uitvloeisel van die Sendingkerk.

Die eerste amptelike sendingskool is in 1887 opgerig. Dit was in Van Riebeeckstraat op die perseel waar die eerste amptelike Sendingkerk gebou sou word. Dié kerk is eers op 8 Maart 1907 ingewy.

DIE SENDING GESTICHT

'n Jaar na die stigting van die N.G. Moedergemeente (1855), is daar in 1856 versoek dat 'n "Godsdienstige Gesticht", waarin blankes en gekleurdes geletterdheid en godsdiensoonderrig kon ontvang, gestig moet word. Op 8 September 1858 is die Gesticht ingewy en het die gebou as kerk en skool gedien. N.G. Vos, wat in die Moedergemeente gewerk het, is ook as werknemer in die Sendingkerk aangestel, waar hy dan ook skoolonderrig aan bruin kinders gegee het.

Die Gesticht

Die Gesticht was geleë in Murchinsonstraat, waar die pastorie van die N.G. Moedergemeente tans geleë is.

TWEEDE SKOOLGEBOU

Op 17 Mei 1943 is grond vir 'n terrein vir 'n nuwe skool vanaf Ceres Munisipaliteit in Lyellstraat bekom. Dit is waar Ceres Primêr tans geleë is. Op 19 Mei 1945 is die hoeksteen gelê en in Oktober 1945 is die skoolgebou ingewy. Die skoolgebou is mettertyd uitgebrei en vergroot. Meester A.C. Goliath was die eerste skoolhoof van Ceres Primêr. Die prinsipaal se huis was op die skoolterrein.

MISSION SCHOOL AND CERES PRIMARY

The establishing of Ceres Primary is frankly part of the Mission Congregation, because the school was a direct result of the Mission Church.

THE MISSION GESTICHT

A year after the establishment of the Dutch Reformed Mother Congregation(1855) there was a request that a "Godsdienstige Gesticht", where Europeans and Non-Europeans could be taught in literacy and religion, must be established. The Gesticht was inaugurated on 8 September 1858. The building served as church as well as school. N.G. Vos, employed by Mother Congregation, was appointed as employee of the Mission Church too, where he taught brown children at school. The Gesticht was in Murchinson Street, where the parsonage of N.G. Mother Congregation is today.

THE FIRST SCHOOL BUILDING

The first official mission school was erected in 1887. It was in Van Riebeeck Street on the same plot where as the church would have been built. This church was only inaugurated on 8 March 1907. Land in Lyell Street was received from Ceres Municipality on 17 May 1943. On 19 May 1945 the first cornerstone was laid and the school building was inaugurated in October 1945. As time goes by the building was extended and enlarged. Master A.C. Goliath was the first principal of Ceres Primary. The house of the principal was on the school grounds.
